Our Edelweiss Tortes are made to order with fresh cream and high quality ingredients. Each torte has a shortbread crust, coated with a thin layer of fruit preserve. Available either by the slice or whole.

**Important Notes**

- Each torte (12") serves 16
- Cheesecake and Steuselkuchen (9") serves 8
- Personalized greeting is available at an additional charge
- To ensure your cake is ready for you, please order two days in advance
- Tortes may contain traces of nuts
- Cherries and other stone fruit may contain pits

**Helpful Hints**

- Cut your Edelweiss Torte with a large knife that has been rinsed with hot water. Repeating this step after each cut will give you a professional cut each time. Just follow the pre-marked outline on the torte.
- Tortes can be stored in the refrigerator for three to five days and are most flavorful on the second or third day.
